## Notes for completion

- Before you complete this form: you should read up to date versions of the Key Investor Information Document (KIID) for each fund in which you want to invest, as well as the Supplementary Information Document (SID). The KIID for each fund, SID and other documents are available on our website

- For anti-money laundering purposes we are legally obliged to verify the identity of the registered contact (the Applicant) and any person making payments into the Junior ISA (either the Applicant or a third party i.e. a 'Gifter'). We will initially aim to do this using electronic verification sources. However, we will use any information we obtain in this way only for verification of identity and not for any other purpose
- Verification checks may fail due to a variety of factors. To avoid us having to reject your application if the electronic verification checks are not successful, we request that new Applicants provide evidence for the Applicant (if they are providing the funds) or the Gifter, as appropriate, of both identity and address as laid out in the 'Documentation Guidance' that can be found at the end of this form
- We reserve the right to request further information and documents from you following receipt of the forms and initial documents
- If we are unable to verify the identity and address of the Applicant / Gifter (as relevant) we will not be able to process your application and investments will not be made
